

Office of the Police and Crime
Commissioner for Surrey

Memorandum of Understanding

BETWEEN:

THE POLICE AND CRIME COMMISSIONER FOR SUSSEX ('the Commissioner'),

and

THE CHIEF CONSTABLE FOR SUSSEX POLICE ('the Chief Constable')

and between

THE POLICE AND CRIME COMMISSIONER FOR SURREY ('the Commissioner'),

and

THE CHIEF CONSTABLE FOR SURREY POLICE ('the Chief Constable')

1. Introduction

- 1.1 The principal activity of the Police and Crime Commissioner is to be responsible for the totality of policing, including setting strategic direction, and holding the Chief Constable to account for delivery of effective and efficient policing within the policing area. The Commissioner also has other responsibilities and obligations in respect of the wider criminal justice and community safety frameworks which are outside the scope of this Memorandum of Understanding (MOU).
- 1.2 The Commissioner has a duty under section 1 of the Police Reform and Social Responsibility Act 2011 ('the Act') to (a) secure the maintenance of the force and (b) secure that the force is efficient and effective. In addition, the Commissioner has incidental powers under paragraph 14 of Schedule 1 of the Act enabling the Commissioner to do anything which is calculated to facilitate or is incidental to the exercise of his or her functions. This includes entering into contracts or other agreements.
- 1.3 The principal activity of the Chief Constable is the delivery of effective and efficient policing. The Chief Constable is responsible for ensuring that the Force is able to deliver its obligations under the strategic policing requirement. In matters of operational independence the Chief Constable is answerable to the law and their position is constitutionally established.

- 1.4 Section 2(5) of the Act provides that the Chief Constable must exercise their powers of direction and control over the police force and its civilian staff in such a way as is reasonable to assist the Commissioner in the exercise of his or her functions. In addition, paragraph 7(1) of Schedule 2 to the Act provides that 'a chief constable may do anything which is calculated to facilitate, or is conducive or incidental to, the exercise of the functions of chief constable'.
- 1.5 The parties agree to work in co-operation to ensure the effective and efficient delivery of policing services to people who live work and visit the policing area.
- 1.6 Notwithstanding their distinct legal identities, the functions of the Commissioner and the Chief Constable are acknowledged to have such interdependence as to permit the sharing of significant areas of business support.
- 1.7 Such sharing of business support is not regarded as the provision of services by one to the other but rather a cooperative arrangement for the effective delivery of business support essential to the operation of both offices.
- 1.8 The Commissioner and the Chief Constable will adopt and implement the following principles with regard to the provision to their respective offices of business support and administration:
- 1.8.1 That despite their legally distinct identities and their differing roles and responsibilities, it is appropriate for the Commissioner and the Chief Constable to work together by way of joint endeavour in order to improve outcomes for local people as set out in the Commissioner's Police and Crime Plan.
- 1.8.2 The need for effective and efficient arrangements for the provision of all forms of business support to both the Commissioner and the Chief Constable which would best support them and their respective statutory offices in the discharge of their obligations.
- 1.8.3 The need to balance the requirement for effectiveness and efficiency in provision of business support against a need to put in place arrangements which represent best value for money.
- 1.8.4 The desirability where possible to avoid duplication of functions within the offices of the Commissioner and the Chief Constable.
- 1.9 The MOU is a statement of intent between the parties to work in partnership and to define an effective working relationship between the Commissioner and the Chief Constable.
- 1.10 The purpose of this MOU is to define the role of the parties, and the expectations of how they will work together. It is not the intention of the Commissioner and the Chief Constable to create legal relations in respect of the arrangements contained within this MOU.
- 1.11 In this MOU, the following expressions have the following meanings:

"Scheme of Governance"	Those documents that set out the terms on which the respective functions of the PCC and the CC will be exercised, identifying those powers and the manner in which they may be exercised by the parties' staff.

1.13 In this MOU, the singular shall mean the plural and vice versa.

2. Status of the Parties

2.1 The relationship between the parties is that of independent organisations, as each party is a separate corporation sole. Nothing in this MOU shall create or be deemed to create a partnership of agency, franchise or employment between the parties.

3. Sharing of Information

3.1 The Commissioner and the Chief Constable will share information where appropriate to fulfil the purposes of this MOU subject to any conditions imposed by the party providing the information in respect of such disclosure. The Commissioner and the Chief Constable shall ensure compliance with Data Protection legislation through proper application of the governance arrangements contemplated in this MOU.

3.2 For the purposes of the Data Protection Act 1998 the Commissioner and the Chief Constable remain the data controller for any personal information recorded (in whatever format) on any information system under their respective control.

3.3 For the purposes of the Data Protection Act 1998 where either party is processing personal data as a data processor that party shall ensure that it has in place appropriate technical and organisation measures against unauthorised or unlawful processing of personal data and against accidental loss or destruction of, or damage to, personal data.

3.4 For the purposes of the Freedom of Information Act 2000 (FOI) if either the Commissioner or the Chief Constable should receive a FOI request then the Commissioner or Chief Constable as appropriate would be responsible for responding to that request and with any subsequent compliance arrangements required under FOI. Any FOI requests received by either the Commissioner or the Chief Constable which relate to or touch upon the

subject matter of this MOU or any matters arising from it would be brought to the attention of the other party as soon as practicable, and where necessary the Commissioner and the Chief Constable will provide reasonable assistance to the other in order to facilitate a timely and compliant response to the FOI request or any subsequent compliance requirement.

- 3.5 Both parties agree that, during the term of this MOU, or at any time thereafter, neither they nor any of their employees, agents (including volunteer staff) or sub-contractors, shall divulge, furnish or make accessible to anyone any confidential information unless:
 - 3.5.1 at the date of this MOU, the confidential information is already in the public domain or subsequently comes into the public domain through no fault of the other party;
 - 3.5.2 the confidential information rightfully becomes available to the other party from sources not bound by obligations of confidentiality;
 - 3.5.3 the confidential information was available to the other party on a non-confidential basis prior to its disclosure to such party;
 - 3.5.4 the other party is required by compulsion of law to disclose.
- 3.6 The parties agree that all discussions and negotiations shall be carried out on a strictly confidential basis and any statements (either written or oral) to be made in relation to the existence of the negotiations between the parties shall be subject always to written agreement by both parties and the overarching provisions of the scheme of governance.
- 3.7 The disclosure of confidential information is a matter for discussion between the Commissioner and Chief Constable.
- 3.8 Any limitation or waiver of the right of confidentiality contemplated in the provisions paragraph of this MOU applies only to the relationship between the Commissioner and the Chief Constable and all staff will remain subject to an obligation of confidentiality in respect of third parties.
- 3.9 Nothing in this MOU should prevent any personnel employed either by the Commissioner or the Chief Constable from disclosing information which they are entitled to disclose under the Public Interest Disclosure Act 1998 provided that such disclosures are made in accordance with provision of that Act.

4. Governance

- 4.1 Subject to the provisions contained at paragraph 1.4 of this MOU both the Commissioner and the Chief Constable retain the discretion to task and direct their staff as they in their absolute discretion see fit.
- 4.2 This MOU provides for three circumstances in which business support may be sought from the other party. These are as follows:
 - 4.2.1 The Commissioner wishes to seek support from the Chief Constable's staff.
 - 4.2.2 The Chief Constable wishes to seek support from the Commissioner's staff.

- 4.2.3 The Commissioner and the Chief Constable agree jointly on the commissioning of work to be undertaken either by the Commissioner's staff, or the Chief Constable's staff or by both.
- 4.3 These proposed arrangements collectively are known as cooperative arrangements.
- 4.4 The business support may be sought in the following areas:
Information and Communications Technology, Corporate Communications, Corporate Development (Surrey) / Corporate Services (Sussex), Fleet, Financial, Procurement, Estates, Property, Human Resources, Professional Standards Department and Legal Services as outlined in the Schedule of Services here to attached.
- 4.5 Either of the parties may assign work to staff subject to a cooperative arrangement and use the existing resources within that team. This will be in accordance with agreed practices between the Commissioner and Chief Constable.
- 4.6 Any conflict between any instructions issued by either of the parties through a co-operative arrangement will be identified by the relevant team and brought to the attention of the parties immediately and where possible prior to implementation. Any instructions that are identified as novel, contentious or repercussive must initially be checked with the instructing party and if not withdrawn or suitably amended formally drawn to the attention of both parties before implementation.
- 4.7 If, due to the volume of work required of that team there is an issue of prioritisation to be resolved, the issue will be referred to the Commissioner's Chief Executive and the Deputy Chief Constable, and if they cannot resolve such issue within 7 days then either party may refer the issue to the Commissioner and the Chief Constable to resolve.
- 4.8 Neither the Commissioner nor the Chief Constable will seek to impose any form of recharge on the other in respect of staffing costs arising out of the cooperation arrangements but either the Commissioner or the Chief Constable may be entitled to recover from the other any additional third party costs subject to agreement between the Commissioner's and the Chief Constable's chief finance officers.
- 4.9 Whilst it is contemplated whenever the Commissioner or the Chief Constable wishes to have work undertaken which could be provided by way of cooperation arrangements then such work will be so requested, it is acknowledged that circumstances may arise in which either the Commissioner or the Chief Constable may wish to commission such work from another source and nothing in this MOU shall be deemed to prevent or inhibit such course of action.
- 4.10 If either the Commissioner or the Chief Constable has concerns about the conduct or performance of business support personnel employed by the other then the Commissioner or the Chief Constable as appropriate will report those concerns as soon as practicable to the relevant line manager.
- 4.11 For the avoidance of doubt the Commissioner and the Chief Constable agree that when business support personnel are engaged in work commissioned other than by their employer such an arrangement does not amount to a

secondment of their employment and at all times such personnel remain subject to ordinary supervisory and management arrangements.

- 4.12 This MOU shall not fetter the discretion of either the Commissioner or Chief Constable to make such alterations to their staffing resources as they may from time to time see fit including the reorganisation of functions or the deletion of posts. However before making any significant alterations to staff that may provide business support under this MOU the Commissioner or the Chief Constable as applicable will consult the other.
- 4.13 Posts may be advertised and staff may be moved between the Commissioner and Chief Constable as agreed by them following established policies, practices and procedures.
- 4.14 The parties to this MOU do not intend that any of its terms will be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1969 by any person who is not a party to it.

5. Access to premises and personnel

- 5.1 The Commissioner and Chief Constable and their senior officers shall each have reasonable, qualified access to premises and personnel under either parties' direction or control.
- 5.2 Access to people and premises by other personnel may be limited according to operational need.

6. Review and Termination

- 6.1 This MOU will commence on the Commencement Date and will remain in force in accordance with this section.
- 6.2 Within 12 months of the Commencement Date of the MOU, the parties will undertake a review of the Police and Crime Plan and of the services provided and of the MOU to ensure that the MOU is sufficient to cover all of the areas concerned.
- 6.3 The MOU is subject to review on a change in either of the corporations sole.
- 6.4 Either party may terminate the MOU by giving 3 months notice to the other party that they wish to withdraw from the arrangements.
- 6.5 Any notice given under this MOU by either party must be in writing and may be delivered personally, or sent by e-mail. Notice will be deemed to have been given on the same day.
- 6.6 Notices will be delivered or sent to the addresses of the parties as given at the head of this MOU or to any other address notified in writing by any party to the other parties for the purpose of receiving notices after the commencement date of this MOU.
- 6.7 No variation to this MOU shall be effective unless in writing signed by duly authorised representatives of each of the parties.
